

how to find us

Our office is situated in the modern block on the right just as you enter Norwich Ave West from Queens Road. To enter the building, our buzzer is located next to the centre door on the right hand side of the front of the building. Just press and hold the buzzer until you can hear a phone ring, once buzzed in just take a seat in the lobby and someone will be down to meet you.

If you are lucky you may find a parking space behind the block (any space marked 'Gild House' can be used), otherwise you can use the Pay & Display car park just opposite the entrance to Norwich Ave West, or you can park for free just a couple of minutes walk from CuCo in the roads around Clarendon Road or up to 2 hours/unlimited.
